Jagriti Dham Leads Senior Living Transformation at ASLI Ageing Fest

Jagriti Dham, the most luxurious senior home in Eastern India, represented Kolkata at the recently concluded ASLI Ageing Fest held at the Sheraton Grand, Bangalore. The prestigious event, hosted by the Association of Senior Living India (ASLI), brought together policymakers, senior care leaders, and innovators to shape the future of eldercare in India.

Dr. Vinod Paul, Member of NITI Aayog, attended the fest as the Chief Guest, reflecting the government's commitment to improving senior citizens' quality of life. The event also saw the release of a survey conducted by ASLI in collaboration with McKinsey & Company, which highlighted the changing priorities of India's aging population. The findings emphasized the need for holistic well-being, addressing physical health, mental wellness, financial security, and social engagement to combat loneliness.

With nearly 20 lakh senior citizens in Kolkata, Jagriti Dham is a senior living facility designed to address these evolving needs. It combines modern amenities with a focus on community living to ensure residents lead fulfilling and meaningful lives. "At Jagriti Dham, our mission is to turn the golden years into a phase of joy and purpose. We are proud to showcase Kolkata's capabilities on this national stage," said Pulak Chamaria, Trustee of Jagriti Dham and Director of Infinity Group.

One of the key attractions of Jagriti Dham's presentation was its collaboration with Jiva Ayurveda to introduce Jivagram, an Ayurvedic wellness center integrated within the senior living community. Jivagram provides personalized treatments and therapies, addressing the root causes of health issues and promoting physical and mental well-being.

"This partnership reflects our commitment to offering comprehensive care by blending India's traditional wellness practices with modern comforts. Our goal is to provide seniors with an enriching healthcare experience," said Aninda Das, Vice President of Marketing, Infinity Group.

The ASLI Ageing Fest emphasized the importance of building supportive communities for seniors, highlighting loneliness as a pressing concern. Jagriti Dham's model of senior living focuses on creating vibrant community spaces that encourage interaction and emotional well-being among residents.

As the global senior population is set to more than double by 2050, the demand for innovative senior care solutions is growing. Jagriti Dham is addressing this need by offering a blend of holistic wellness, compassionate care, and meaningful community living.

Through its participation at the ASLI Ageing Fest, <u>Jagriti Dham</u> has showcased its approach to redefining senior living in India. By prioritizing care, connection, and well-being, it is ensuring seniors have the resources to lead happy, active, and fulfilling lives.
